AGM Report

A disappointingly small turnout at the 2009 AGM witnessed long serving, 29 years, Library volunteer Bev Latimer awarded Life Membership to WRRRA in recognition of services to the community.

After the AGM was a very interesting and informative workshop on Waiaatarua's Local Area Plan, where we all had input as to the future of Waiaatarua.

Your somewhat depleted committee for 2009 is:

President/Community Board	Dave Pocock	Ph 814 9697	davepocock@xtra.co.nz
Vice President	Vacant		
Treasurer	John Stagg	Ph 814 8870	johnandandrea@woosh.co.nz
Secretary	Jan James	Ph 814 9194	pwmantidji@clear.net.nz
Newsletter Editor	C/O Dave Pocock	Ph 814 9697	davepocock@xtra.co.nz
Committee Members	Frank Hogsden	Ph 814 9869	
	Lynda Hogsden	Ph 814 9869	
	Susanne Timms	Ph 814 9346	shtimms@xtra.co.nz
Representative	Ian Ford (fire brigade)	814 8871	ian.ford@xtra.co.nz

As you can see we need a Vice President and at least two more committee members as a bare minimum to be able to basically function, so if you can help we would love to hear from you.

Waitakere Wages War on Weeds

Waitakere City's annual War on Weeds programme gets underway in March. Once again the target is the 'nine nasty' weeds which threaten the unique environment in Waitakere City.

Jumbo bins will be placed at high profile sites around the City for residents to dispose of noxious weeds collected from their properties. The 'nine nasties' are Kahili Ginger, Blue Morning Glory, Japanese Honeysuckle, Climbing Asparagus, Jasmine, Moth Plant, Plecranthus, Smilax and Tradescantia.

War on Weeds runs from 1- 31 March each year. The programme is run by WeedFree Trust in partnership with Keep Waitakere Beautiful and Waitakere City Council.

Each year residents deliver about 100 tonnes of weeds to the free jumbo bins around the City. In the lead up to War on Weeds, WeedFree Trust encourages residents to stock pile their environmental weeds.

"The longer the nine nasties are left to thrive on your property, the less chance your natives have of flourishing," says Community Co-ordinator Neil Henderson.

"It's important to try and get these nasties and other weeds before they go to seed."

While the focus of the programme is on the 'nine nasties' there are many other environmental weeds that can also be disposed of in the bins. For help identifying your pest plants, visit www.weedbusters.org.nz. Residents are asked not to use the bins for woody weeds like Privet and Bamboo - trailer vouchers for disposal of these weeds are available from WeedFree Trust.

For more information visit www.ecomatters.org.nz or contact WeedFree Trust on 826 4276.

If you still have Ginger plants and/or Agapanthus on your property, now is the time to remove the seed heads.

Death by strangulation: this dead tree still wears its mantle of jasmine.

A Big Thank You to Wendy and Bruce Ronald. They have "retired" after 20 years of helping run the library on Friday nights. Well done.

Help needed. We require a volunteer to open the library for one hour on the third Sunday each month. Our thanks to Cinnamon Edwards who aided us for a while but has now left Waiatarua. If you can give one hour per month to your community, please ring Bev 835 3237, or Jeannette 814 1999.

New Books

"The Hour I First Believed" by Wally Lamb. This is about the unforeseen consequences of violence, in this case the Columbine shooting.

"Plum Spooky" by Janet Evanovich. Another fun read for the Stephanie Plum fans.

"The Associate" by John Grisham. A young lawyer facing a moral decision plunges into a criminal conspiracy.

"Madonnas of Leningrad" by Debra Dean. An aging Russian's thoughts move between contemporary America and Russia during WW2.

"The Lieutenant" by Kate Grenville. A most welcome novel from the author of the popular Secret River.

"The Piano Teacher" by Janice Lee. Story reflecting the clash of cultures of east and west in post-war Hong Kong.

Garden Group

Eileen Powell

Our March 4 get together is a full day in South Auckland starting at Waiiau Pa and then to the Pukekohe area. Our April 1 visit is to the garden of the horticulturalist Graeme Ross at Beach Haven on the North Shore. Everyone is welcome. Please contact Eileen on 814 9298 for further information.

BRICKBATS and BOUQUETS

Sponsored by the Fairy Flower Shop,
423 Titirangi Rd, Titirangi. Phone 817 3780

Dear Dave, I am e-mailing you regarding a rather unpleasant incident I experienced this evening; I'll nominate it as brickbat award. I was driving up West Coast Road tonight around 9pm. About Raroa Road I saw a white moving thing in the middle of the road, I thought it was a cat, slowed down to avoid hitting it. As I got closer it was just a plastic bag blown by the wind. The car behind me I then noticed following me very closely and proceeded to follow me right up my driveway. I was very frightened and blasted my horn to get my husband's attention. The gentleman had followed me in order to give me a piece of his mind - because of my sudden braking he had nearly gone into the back of me. As I had only been driving at 60K, if he had maintained an adequate braking distance this shouldn't have happened.

For a Bouquet, our wonderful volunteer firemen get my vote as always. Bless them. More of them, less raging drivers I say! Sincerely (Name withheld by request).

Hi All

Well here we are again at the end of another year of the Committee with the AGM about to take place, at the time of writing this.

During the later part of the year I have said that we were losing two, maybe three, long standing members and I can confirm it is three not seeking re-election.

One is Jan Haine who stands down as Treasurer, and not only has Jan done a great job over the past two and a half years but has also made the transition to our new treasurer John Stag as painless as possible.

The other two I am going to mention as one because they are a team although do have separate opinions which do not always agree.

Robin and Kor have been on the committee for the past five years and right from the start have been in boots and all. The saying is that nobody is indispensable and that is 100% true, but these two are going to leave a very big hole to fill. On behalf of all of us a big thanks to you both and from me personally it has been a pleasure working with you for the past five years. They are not lost to the community as Kor is following his passion on lighting and sound with the drama group and I know Robin will also be involved with drama as well as furthering her career.

Our newsletter editor Jenny continues to have health problems and is currently awaiting yet more operations, which meant she had to resign. We wish Jenny all the best and really hope that things improve very soon.

We do have a new person on board doing the layout and proofreading that is Nicki Warner, not only is she new to the newsletter but also the area having only been here just over one month. Nicki comes from a newspaper background and was responsible for layout and proofreading at a small Northland newspaper.

I am sure that Nicki is going to put her touch to the newsletter over the coming months with a fresh, new and young outlook.

She may take over the information gathering as well, although we would still like any expressions of interest for that role.

Talking newsletter, we are grateful to Longley Printing for once again taking care of the printing, and Tony Bacon with his team of volunteers delivering it.

Our Library volunteers continue to do a fantastic job, quietly providing a valuable service.

As a committee we wrote to the community board pointing out that the re-sealing of West Coast Road did not achieve much as the corrugations were still there, as were a number of bumps. It was good to see a fairly quick reaction with the corrugation corner being re-done with the same smooth seal that was used on the bend by Bendalls Lane. In my opinion the whole reseal area should have been done with same product, then we would have noticed a real improvement.

We seem to be experiencing an upsurge in reported suspicious activity and burglaries in the area, with Neighbourhood Support doing a fantastic job of keeping us up to date with what is going on. Ex-committee member Les Duffield is the co-ordinator for this area and he has established a very efficient system of communication. If you are not part of Neighbourhood Support I say do yourself a favour and join as it may save you from being the next victim. Phone Les on 814 1130.

Let me share with you an extract from an e-mail received via Neighbourhood Support:

"Hi Guys

Just a forward note for anyone in the Oratia/Waiatarua areas. Ensure everything is locked up on your property. We were broken into two years ago and it's not only an invasion of your life, it's a real pain with getting the insurance and everything else sorted. Aside from explaining to the kids strangers have been in their house!"

That contact again: Les on 814 1130.

I would like to take this opportunity to thank my fellow committee members for their support and friendship over the past twelve months, not to mention lots of hard work.

So to Korstiaan Prins, Jan James, Jan Haine, Robin Essex, Susanne Timms and Frank Hogsden, thanks guys. Also Ian Ford (Fire Chief) and Kubi Witten-Hannah (Community Board chairman) thanks for your valuable input.

I am seeking re-election so all things going to plan I will be back to bore you next month.

Thanks

Dave

Keep Your Property Fire Safe

Waiatarua bush is nowhere near as flammable as some parts of Australia – thank goodness – but you can and should take steps to keep your property as safe as possible from the potential dangers of bush fire. Ensuring that a fire engine can fit up your driveway is a good start – these are much wider, taller and longer than the car you use every day. The National Rural Fire Authority recommends you form a safety zone or defensible space around your home by clearing out to at least 10 metres (more on the downhill side), removing all dead vegetation and highly flammable species, and keeping the grass mowed. You'll need to consult with the Council to ensure compliance with their rules on removing vegetation.

Contacts

Always call 111 if you want the Fire Brigade to attend, no matter what the incident. Otherwise you can contact Ian Ford (814 8871), Helen Longley (814 9855) or Karl Nuttall (814 8777).

Inorganic Rubbish Collection

Waiatarua residents are reminded that if they wish to have inorganic rubbish collected from their property this year, they need to book NOW for their April collection month.

Waitakere City Council is now operating a pre-paid inorganic rubbish collection service.

Under the new system, the service is booked and paid for in advance and the inorganic rubbish collected from inside residential property boundaries. Previously rubbish was put out on the street.

Residents must make their booking at least two clear weeks in advance of their collection week so are advised to go online now (or enquire at the council on 839 0419) to find their allocated collection date and booking cut-off date.

The new user pays service costs \$11.25 per household and must be booked online at www.inorganiccollection.co.nz or in person at the council offices at 6 Henderson Valley Road, Henderson.

The service runs between February and June each year. Different suburbs are covered by the collection each month and each address has a pre-allocated collection date.

Residents will need to pile their inorganic rubbish inside their property or near their driveway on collection day.

The collection is for household furniture, toys and appliances, domestic gardening equipment, outdoor leisure equipment and metal items from household renovations. A maximum of one cubic metre (about two car boots full) of rubbish can be put out for collection.

To book your inorganic rubbish collection:

1. Go to www.inorganiccollection.co.nz or phone 839-0419 to find out your collection date and your booking deadline date. You will need to provide your address details.

2. Book and pay the \$11.25 fee online or at the council – at least two weeks ahead of your collection week.

The inorganic collection has primarily been changed because the law now requires councils to encourage waste reduction and because the old system was inefficient, unsightly and dangerous and made commercial scavenging possible at ratepayers' expense.

Restricted Fire Season

Remember we have a fire restriction in place which means you need a council permit to light any fire other than a barbecue. For more details phone Rural Fire Officer at 837 0790.
